BODYATTACK

The sports inspired cardio workout for building strength and stamina. This high energy interval training class combines athletic movements with strength and stabilization exercises and can be done high impact or low. Blast fat, tone the entire body, and have fun! BodyAttack Lite will show low impact options. 2-3

BODYPUMP

The most successful group exercise program in history, BODYPUMP is the original barbell class that strengthens your entire body. Great music, challenging exercises, and your choice of weight inspire you to get the results you came for -- and fast! 4

LES MILLS CXWORX

This program hones in on the torso and sling muscles that connect your upper body to your lower body. It's ideal for tightening your tummy and butt, as well as improving functional strength and assisting in injury prevention. 4

LES MILLS BODYCOMBAT

You'll punch and kick your way to fitness, burning up to 740 calories* along the way. This high-energy martial-arts inspired workout is totally non-contact and there are no complex moves to master. 4

LES MILLS BODYFLOW

Ideal for anyone and everyone. It is a yoga based class that will improve your mind, body and life. An inspired soundtrack leads you through yoga moves and embraces elements of Tai chi and Pilates 1-3

gentle yoga

This class is designed for those who are new to yoga or those desiring a more moderate approach to practice. Participants will work with gentle but deep stretches, basic postures, breath awareness and relaxation for a more balanced and energized body. 1

BODYCAMP

This intense program features dynamic cardio drills, dumbbells, risers, and many more tools for intense intervals that torch fat and crush calories. Turn up the heat on your workout and feel the BURN!!! 2-3

INTEGRATIVE YOGA

This is a Hatha (gentle) style of yoga. It brings a focused approach to integrate the Mind, Body and Spirit to form a stronger, yet more peaceful, sense of self. Come with an open mind and heart to embrace ways of living fuller. Ideal for beginners, as well as, those seasoned in their practice. Sessions often include sun and moon salutations. Yoga balls are used the last Sunday of every month.

metafit
BODYWEIGHT TRAINING

Metafit is a 30-minute, bodyweight-only, non-choreographed, high-intensity interval training (HIIT) workout. The program was created over a decade ago by a Royal Marine Commando in a bid to make HIIT more efficient and effective. It combines the latest HIIT training techniques with traditional 'old school' bodyweight exercises to set the metabolism on fire!

MAX STRENGTH--It's a strength class with no exceptions with equipment, pushing the smaller and larger muscle groups to their max while kicking up the metabolism.

LES MILLS RPM

is a group indoor cycling workout where you control the intensity. High Intensity interval training set to music and you can burn up to 675 calories a session.

P.H.I.T.

This metabolic conditioning class combines cardio kickboxing, rope jumping, tabatas, and strength training! A combination of challenging punch and kick intervals and strength exercises using a variety of equipment are included. 2-3

Pilates

This systematic series of core strengthening and lengthening exercises is based on the work of Joseph Pilates. Class format invites participants of all levels to improve posture, flexibility, and mind/body awareness. 1-2

POWER YOGA

Nourish your mind, body, and spirit in an invigorating workout. Poses (asanas) are sequenced together and linked with the breath to create a flow of exercise. Increase strength, improve flexibility, reduce stress and bring balance to your life with this challenging class. Previous yoga experience is recommended. 2-3

SPINNING

Spinning is an indoor cycling workout which allows participants to experience the mind/body connection that is the foundation of obtaining complete health and fitness. Whether beginner or skilled athlete, participants can tailor the workout to best suit their individual fitness levels. 4

POUND
ROCKOUT. WORKOUT.

Cardio interval training with drumming to provide a challenging, heart-pumping workout. It's a full body workout. Sweat, sculpt, rock and pound your way with strength, cardio and conditioning as well as yoga and pilates inspired movements. Using RipStix (lightly weighted drumsticks) engineered specifically for exercising. All fitness levels welcome \$5 a class

BARRE FUSION: Full Body Workout that fuses yoga, pilates, dance and isometric movements using high repetitions and low weight or body weight. Sculpt muscles as you focus on arms, lower body and core work; alternating with cardio bursts to elevate your heart rate. Feel the burn as you stretch out and tone up with fun, energizing music. No dance experience required 4

Vinyasa Yoga

Vinyasa Flow incorporates fluid movement with deep, rhythmic breathing. Linking movement with breath enhances the health benefits of each pose achieving greater muscular strength and tone, increased flexibility, and improved circulation as well as creating a more focused, calm and meditative state of awareness. 2

LES MILLS sprint

a 30 min High Intensity Interval Training (HIIT) workout using an indoor bike to achieve fast results. It's a quick and hard style of training that returns rapid results with minimum joint impact. The short duration of a Les Mills Sprint workout will motivate you to push your physical and mental limits. It features bursts of intensity where you work as hard as possible, followed by periods of rest that prepare you for the next effort.

Hatha Yoga--The class uses body weight to emphasize mobility, strength and balance. We target all of the major muscles in each class and explain how the poses help the body and how to get the most benefit from each pose-4
